**STIPULATION AND JOINT REQUEST TO
 MODIFY BRIEFING SCHEDULE FOR
 SUMMARY JUDGMENT AND CLASS
 CERTIFICATION MOTIONS AND
 [XXXXXXXXXXXXX] ORDER**

The Court, with input from the parties, has set a briefing schedule in these related cases for plaintiffs and defendants to file motions for class certification and cross-motions for summary judgment. The current briefing schedule is as follows:

All motions will be filed no later than April 4, 2008.

Any opposition briefs will be filed no later than May 18, 2008.

Reply briefs will be filed no later than May 28, 2008.

The motions will be heard on June 20, 2008 at 9:00 a.m.

The parties hereby stipulate and agree to modify this schedule to make the date for filing motions April 11, 2008. All the other dates, including the hearing date, will remain the same. Counsel has conflicting professional obligations making it difficult to meet the filing deadline. Counsel for Stassinis has requested that the other parties agree to continue the filing date and they have agreed. As the remainder of the briefing schedule will not change, including the hearing date, the case will not be delayed by the stipulated extension. Thus, the parties jointly request that the Court modify the scheduling order so that the deadline for filing motions for class certification and motions for summary judgment be extended to April 11, 2008.

IT IS SO STIPULATED.
